

NOTICE OF WATER SERVICE DISTURBANCE

FOR IMMEDIATE RELEASE

2018-JULY-04

WEST PARK SUBDIVISION

Please be advised that due to an installation of new piping the water supply to your residence may need to be shut off for an undetermined amount of time. The repair is scheduled to commence in the time frame mentioned below. The water will be shut off until work is completed.

WORK TO COMMENCE ON THURSDAY, JULY 05, 2018 AT 4:30 AM

NOTE: UPON RESTORATION OF WATER SERVICE, THE WATER SHOULD NOT BE USED FOR DRINKING OR FOOD PREPARATION UNTIL FURTHER NOTICE.

Upon restoration of your water service, boil water vigorously at or near 212 degrees F (100 degrees C) for one full minute to kill any disease-causing bacteria that may be present in the water.

- ✓ Please collect water in containers before 8:00 am on date work is to commence
- ✓ During the repair process, all taps within the residence **MUST REMAIN CLOSED**
- ✓ After work is completed run the water from the tap closest to the water meter (outside tap ideal) for 10 minutes or until it runs clear

Thank you for your co-operation during this distribution system repair process. Although an inconvenience, the procedure was necessary for your safety. For further information or questions please call the Utility Department at 306-937-6220.
