

Coming in 2018: infiNET Installation in Battleford

The Town of Battleford would like residents to take note that SaskTel is installing a fibre optic network to SaskTel customers in Battleford this summer. This work will require underground digs in some areas. If you have any questions or concerns regarding the installation, you are encouraged to visit www.sasktel.com/infinet or call 1-800-SASKTEL. Further information can also be found on www.sasktel.com/infinet regarding the benefits of infiNET and the network construction process.
