

# Gift a lasting legacy in the Battleford's

Celebrate the life of a loved one or honor an individual, group or special event by having a commemorative bench installed on a walking trail or green space in one of Town of Battleford's public areas.

## Adopt a Bench

---

Commemorative benches enable the donor to recognize the memory of a loved one in a manner that also enhances the beauty of the town. People of all ages visit our parks and use the walking trails, playgrounds, or participate in sport activities while others come to just relax and enjoy nature.
